

Series Convection Warmer

Reliable Even Heating

The IZI Series Convection Warmer is our most advanced and efficient dry heating option. The warmer heats objects faster compared to traditional preparation times. Additionally, it eliminates water evaporation, which reduces the potential for contamination.

Product Benefits

- Non-stick surface
- Insulated case
- Large interior space
- Digital display for temperature adjustment
- Reduced risk of bacterial infections by creating a dry atmosphere for devices

Product Specifications

- UL Certified
- Weight: 100lbs (45kgs)
- Fits all mask sizes and types

Manufactured in the U.S.
